

**ADMISSIONS ARRANGEMENTS
FOR THE ACADEMIC YEAR 2023 -2024
Approved by Trustees 16/12/2021**

THE PRIMARY ADMISSIONS INDICATIVE TIMETABLE

Monday 5 th September 2022 at 9am	Application window opens
Sunday 15 th January 2023 at 5pm	Closing date for applications
Monday 17 th April 2023	National offer day
Friday 12 th May 2023 at 5pm	Deadline for acceptance and appeals

The Inspire Partnership Academy Trust board, which is the admissions authority for all schools within the trust has set its admission numbers to be admitted in the school year which begins in September 2023 as:

School name	Year Group	Published Admission Number
Delce Academy	Year 3	90
Elaine Primary School	Reception	60 (previously 50)
Forest Academy	Reception	60 (from 90)
Foxfield Primary School	Reception	90
Maundene Primary School	Reception	60
Rockliffe Manor Primary School	Reception	30
West Thornton Primary School	Reception	150
Woodhill Primary School	Reception	60 (from 90)
Woodside Primary School	Reception	90

The trust participates in the Local Authority co-ordinated arrangements. This means that all applications for places in Reception (Delce Y3) in September 2023 must be made to the Local Authority in which the child lives. School preferences are passed to the Local Authority where the school is sited who are responsible for the allocation of places. Where there are

more applications than there are places available, the Local Authority will allocate places according to the rank order of oversubscription criteria detailed in this document.

Pupils with an Education Health and Care Plan: The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements, this will reduce the number of places available to other children.

OVERSUBSCRIPTION CRITERIA

1. Looked after children and previously looked after children including those who appear to the trust to have been in state care outside England.

A looked after child is a child who is in the care of an English or Welsh Local Authority in accordance with section 22 (a) of the Children Act 1989.

Those children who have been adopted or become subject to child arrangements or a special guardianship order immediately after having been looked after.

A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

2. Children with a chronic medical or social care need for a particular school.

This may also apply to an immediate family member. The application must be supported by a letter written by a professional such as a qualified medical practitioner, setting out the reasons why the school is the only one that can meet the child's needs and the implications for the child if they are not offered a place at the school.

NB. Work commitments and childcare arrangements are not considered as being a chronic medical or social care need.

3. Children with a sibling living at the same address who is already attending the school at the time of the child's admission.

Sibling means a full, half, step, adopted or foster brother or sister. This does not include siblings who attend a school's nursery provision.

4. Distance.

Priority will be given to pupils living nearest to the school as measured in a straight line from the centre of the home address to a designated point at the school as detailed below. Where a child lives in a shared property, for example a block of flats the centre will be taken from the centre of the building.

Delce	The centre point of the pedestrian gate on The Tideway
Elaine	The centre point of the school site
Forest	The centre point of the main gate on Bridle Way
Foxfield	The centre point of the school site

Maundene	The centre point of the pedestrian gate on Swallow rise
Rockliffe Manor	The centre point of the school site
West Thornton	The centre point of the main gate on Rosecourt Road
Woodhill	The centre point of the school site
Woodside	The centre point of the main gate adjacent to the school office

Tiebreaker

Distance will be used as a tiebreaker for each oversubscription criterion. Where distance is the same for two or more applicants, random allocation will be used, which will be independently verified.

APPLICATION PROCESS

All applications for places must be made on the Common Application Form (CAF) to the Local Authority in which the child lives by Sunday 15 January 2023. The form is available on the relevant Local Authority website

Schools within the Inspire Partnership Academy Trust do not require a supplementary information form

LATE APPLICATIONS

Parents and carers are encouraged to ensure that their application is received on time. Any late applications will be dealt with in accordance with the Local Authority's Co-ordinated Admissions Scheme for late applications

ADMISSION OF CHILDREN ATTENDING THE SCHOOL'S NURSERY PROVISION

There is no automatic admission into Reception year for children attending any school's nursery provision. Parents and carers must apply separately for a place in Reception year.

ADMISSION OF CHILDREN BELOW COMPULSORY SCHOOL AGE AND DEFERRED ENTRY

Schools are required to provide for the admission of all children in the September following their fourth birthday. Parents/carers have the following options where a place has been offered to a child at the school.

The parent/carers can decide either:

- a) That the child starts school full-time in the September following their fourth birthday with their natural academic cohort; or
- b) To defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year; or
- c) That the child starts school on a part-time basis until later in the school year but not beyond the point at which they reach compulsory school age.

ADMISSION OF CHILDREN OUTSIDE THEIR NORMAL AGE GROUP INCLUDING REQUESTING A DELAYED RECEPTION YEAR START FOR SUMMER BORN CHILDREN

Parents may request that their child is exceptionally admitted outside their normal age group. The school's headteacher will decide whether or not the individual child's circumstances make this appropriate on educational grounds.

All requests to educate a child outside their normal year group should include written explanation of why this is necessary and, where applicable, evidence of the child's circumstances from a relevant professional, detailing the child's educational need which makes education outside the normal age group necessary. Decisions, made in the best interest of the child, will take account of the following:

- Parent/carer views
- Information relating to the child's academic, social and emotional development, where relevant.
- Medical history and the views of a medical professional.
- Any previous history of being educated outside of their normal age group.
- If a child may have naturally fallen into a lower age if the child has not been born prematurely.
- Views of the head teacher.

Applications for admittance outside age range should be made in the year in which children of that age would normally start in Reception year (Delce Y3)

Croydon and Greenwich

Parents/carers are encouraged to speak to the school about their request prior to submitting a formal application for a place. Application should then be made in the usual way via the home Local Authority with the request for out of age group admission included.

Medway

Parents and carers must contact the school and gain their written agreement to admittance outside age range which must then be provided with their CAF application.

Parents/carers have a right to an independent appeal if they are refused a place at the school but do not have that right of appeal if the place is not in their preferred year group.

Parents/carers may however appeal through the school's complaint procedure if they so wish.

WAITING LISTS

If a place is not offered because the school is oversubscribed, the child's name will be placed on a waiting list. The list will be in the descending hierarchical order of the categories in the oversubscription criteria. The list for the year group will be held until 31st December.

If a place is offered and declined the child's name will be removed from the waiting list. Parents/carers who wish their child's name to remain on a waiting list beyond this time are requested to contact the school in writing by the end of December.

It should be noted that no matter how long a child's name has been on the waiting list, his or her position on the list may change if the school adds a child's name to the list, which has a higher priority according to the oversubscription criteria. The school is also under a duty to admit children who are presented for admission under the Local Authority's 'Fair Access Protocol'. These children must take precedence over any children already on the waiting list.

MULTIPLE BIRTHS

The statutory maximum number of pupils in a class in Reception Year to Year 2 is 30. However, regulations set out categories of children who will be regarded as “excepted pupils” not counting towards the class size and can therefore be admitted. Twins and siblings of a higher multiple birth will be “excepted pupils” where one or more of them achieves a place under the oversubscription criteria set out above, but their twin or sibling(s) of a higher multiple birth does not. In these cases, the twin, or sibling(s) of a higher multiple birth, will be admitted over the PAN

IN YEAR ADMISSIONS

In year applications are those applications made at any point other than the normal September point of entry to Reception Year (Delce Yr3), for example because a child is new to the area, has not previously been in school, or a transfer from another school is sought.

Changing schools can be disruptive and may not be in a child's best interests. We would always recommend that before requesting a transfer, parents/carers discuss their reasons with senior staff at their child's current school. They will usually be happy to discuss any concerns and help to resolve any issues.

All applications for in year admission to schools in Greenwich or Croydon Local Authority areas should be made to the Local Authority. Applications to schools in Medway should be made to the direct to the school on the application form available from the school website

Where application is made to the school, we will communicate the outcome of any application as quickly as possible and are required to do so in writing within 15 school days, which when successful will also include arrangements for your child to start their education with us.

FAIR ACCESS PROTOCOL

The School is committed to taking a fair and reasonable proportion of children who are vulnerable and/or hard to place, as identified in the locally agreed Fair Access Protocol. Accordingly, outside the normal admissions round, the Trust Board will admit a child for whom a place is requested under the Fair Access Protocol agreed for that school year, even where this will result in the PAN being exceeded.

RIGHT OF APPEAL

Other than where a place has been offered at the school but not in the preferred year group, parents have a statutory right of appeal against the refusal of a place for which they have applied. Any appeal must be made in writing to the school stating the reason for the appeal. Firm information about the deadline for appeals will be published on the school website no later than 28th February 2023

Material changes

Delce Academy

- Prioritising pupils with acute medical or social care need above siblings
- Changing the distance criteria to a straight-line measurement from the centre of a child's home to the centre of the school's front gate.
- Making separate provision for children of multiple birth outside the main over-subscription arrangements
- Specifying that the length of time children's names will be held on a waiting list to 31st December in line with admissions code guidance and providing further information about that waiting list

Elaine Primary School

- **Increase in PAN – no consultation required**
- Prioritising pupils with acute medical or social care need above siblings
- Making separate provision for children of multiple birth outside the main over-subscription arrangements
- Changing the distance criteria to a straight-line measurement from the centre of a child's home to the centre of the school's front gate.
- Specifying that the length of time children's names will be held on a waiting list to 31st December in line with admissions code guidance and providing further information about that waiting list

Forest Academy

- Reducing the PAN from 90 to 60
- Prioritising pupils with acute medical or social care need above siblings
- Making separate provision for children of multiple birth outside the main over-subscription arrangements

Rationale for wishing to reduce the PAN (published admissions number)

We currently undertake to admit up to 90 children into Reception year. Over the last 3 years, fewer than 30 children have joined the school in this year group each year. This is primarily due to a general over-supply of places in the local area, with additional places in schools that have been recently built or substantially renovated or expanded and as such are particularly attractive to parents; there has not however been a corresponding increase in local housing stock. This has been exacerbated by the impact of both Covid 19 and Brexit as well as a shrinking birth rate and the legacy of an inspection outcome during the tenure of a previous trust. Reducing our PAN to 60 will enable us to plan more effectively both in terms of the utilisation of our site and staffing needs and deployment, while still ensuring parents in the local area retain the choice we believe they are entitled to. In the event that in future years there is a change in local demographic and demand for places at the school increases will again review our arrangements with a view to meeting that demand

Foxfield

No material changes

Maudene

- Prioritising pupils with acute medical or social care need above siblings
- Changing the distance criteria to one of straight line from the centre of the child's home to the centre of the school's front gate

Rockliffe Manor

No material changes

West Thornton

- Prioritising pupils with acute medical or social care need above siblings
- Removing children of staff from the over subscription criteria

Woodhill

Rationale for wishing to reduce the PAN at Woodhill Primary School

We currently undertake to admit up to 90 children into Reception year. Over the last 3 years, the number of children joining the school in this year group has hovered around 60.

This is primarily due to the demolition of a local housing estate which has exacerbated what was already a general over-supply of places in the local area. This over supply has been further impacted by migration as a result of both Covid 19 and Brexit. Reducing our PAN to 60 will enable us to plan more effectively both in terms of the utilisation of our site and staffing needs and deployment, while still ensuring parents in the local area retain the choice we believe they are entitled to. In the event that in future years there is a change in local demographic and demand for places at the school increases will again review our arrangements with a view to meeting that demand

There are no other material changes

Woodside

- Prioritising pupils with acute medical or social care need above siblings
- Removing children of staff from the oversubscription criteria
