

# STRATEGIC PLAN

## 2025-2028

A three-year plan for impact across six pillars of activity

**Transforming children's lives through  
partnership and collaboration**

## Lasting Leadership

A sustainable, empowered leadership culture, driven by shared values, will ensure lasting positive change and long-term success.

## Educational Excellence

Excellent education, high expectations, and aligned teaching will empower students and drive social justice.

## Organisational Excellence

The Trust will maximise impact through efficient operations, build trust with robust compliance, and drive continuous improvement via strategic action and clear communication.

## Growth

The Trust will drive sustainable growth through partnerships and efficiency, fostering learning and innovation for collective success.

## Community First

Strong school-parent partnerships build trust, address needs, and create supportive learning environments.
