

## KS2 - AUP 25/26

### These statements can keep me and others safe & happy at school and home

1. **I learn online** – I use school internet, devices and logins for school and homework, to learn and have fun. School can see what I am doing to keep me safe, even when at home.
2. **I behave the same way on devices as face to face in the classroom, and so do my teachers** – If I get asked to do anything that I would find strange in school, I will tell another teacher.
3. **I ask permission** – At home or school, I only use devices, apps, sites and games if and when I am allowed to. If not sure, I will ask.
4. **I am creative online** – I don't just use apps, sites and games to look at things other people have made or posted; I also get creative to learn or make things.
5. **I am a good friend online** – I won't share or say anything I know would upset another person or they wouldn't want to share. If a friend is worried or needs help, I remind them to talk to an adult, or even do it for them.
6. **I am not a bully** – I know just calling something fun or banter doesn't stop it may be hurting someone else. I do not post, make or share unkind, hurtful or rude messages/comments, images or videos and if I see it happening, I will tell my trusted adults.
7. **I am a secure online learner** – I keep my passwords to myself and reset them if anyone finds them out. Friends don't share passwords!
8. **I am careful what I click on** – I don't click on unexpected links or popups, and only download or install things when I know it is safe or has been agreed by trusted adults. Sometimes app add-ons can cost money, so it is important I always check.

9. I ask for help if I am scared or worried – I will talk to a trusted adult if anything upsets me or worries me on an app, site or game – it often helps. If I get a funny feeling, I talk about it.
10. I know it's not my fault if I see or someone sends me something bad – I won't get in trouble, but I mustn't share it. Instead, I will tell a trusted adult.
11. If I make a mistake, I don't try to hide it but ask for help.
12. I communicate and collaborate online – with people I already know and have met in real life or that a trusted adult knows about. I check with a trusted adult before I chat with anyone for the first time, even if they are a 'chatbot'.
13. I know online friends might not be who they say they are – I am careful when someone wants to be my friend. Unless I have met them face to face, I can't be sure who they are.
14. I never pretend to be someone else online – it can be upsetting or even dangerous.
15. I check with a parent/carer before I meet an online friend the first time; I never go alone.
16. I don't go live (videos anyone can see) on my own – and always check if it is allowed. I check with a trusted adult before I video chat with anybody for the first time.
17. I don't take photos or videos or people without them knowing or agreeing to it – and I don't create artificial images, videos or deepfakes of others without consent. I never film fights or people when they are upset or angry. Instead ask an adult or help if it's safe.
18. I keep my body to myself online – I never get changed or show what's under my clothes when using a device with a camera. I remember my body is mine and no-one should tell me what to do with it; I don't send any photos or videos without checking with a trusted adult.
19. I can say no online if I need to – I don't have to do something just because someone dares or challenges me to do it, or to keep a secret. If I get asked anything that makes me worried, upset or just confused, I should say no, stop chatting and tell a trusted adult immediately.

20. I tell my parents/carers what I do online – they might not know the app, site or game, but they can still help me when things go wrong, and they want to know what I'm doing.
21. I follow age rules – 13+ games, apps and films aren't good for me so I don't use them – they may be scary, violent or unsuitable. 18+ games are not more difficult but very unsuitable.
22. I am private online – I only give out private information if a trusted adult says it's okay. This might be my address, phone number, location or anything else that could identify me or my family and friends; if I turn on my location, I will remember to turn it off again.
23. I am careful what I share and protect my online reputation – I know anything I do can be shared and might stay online forever (even on Snapchat or if I delete it).
24. I am a rule-follower online – I know that apps, sites and games have rules on how to behave, and age restrictions. I follow rules, block bullies and report bad behaviour, at home and at school.
25. I am part of a community – I do not say mean things, make fun of anyone or exclude them because they are different. If I see anyone doing this, I tell a trusted adult and/or report it. I talk to others online how I would like to be spoken to.
26. I respect people's work – I only edit or delete my own digital work and only use words, pictures or videos from other people if I have their permission or if it is copyright free or has a Creative Commons licence.
27. I am a researcher online – I use safe search tools approved by my trusted adults. I know I can't believe everything I see, and I know which sites to trust, and how to double check information I come across. I will not copy anything without permission. If I am not sure, I ask a trusted adult.
