

FOXFIELD PRIMARY SCHOOL - ADMISSIONS CONSULTATION

Consultation opens Wednesday 15th December 2021 at 9am

Consultation closes Wednesday 26th January 2022 at 9am

Purpose

The Inspire Partnership Academy Trust is consulting on the arrangements for admission to Foxfield Primary School in the academic year 2023 – 2024. Arrangements have been re-drafted to provide consistency across all schools in the trust and to incorporate statutory requirements of the 2021 admission code. There are no material changes to the admissions arrangements for this school being proposed however there is a statutory requirement to consult at least every 7 years and the trust is keen that the trigger date for that consultation is aligned for all schools.
